

Here's How To Use...

1 Fully insert 2-pronged key in holes on top of TOMCAT Mouse Bait Station.

2 Gently lift lid.

3 Place one TOMCAT Block Bait in the triangular area next to the hinge.

4 Close lid until it snaps securely.

5 Place bait station along walls or corners where mice travel. Maintain an uninterrupted supply of bait for at least 15 days.

**For Use With All
TOMCAT Block Baits**
(sold separately)
