Evergreen Garden Care UK Ltd,
1 Archipelago, Lyon Way, Frimley,
Surrey, GU16 7ER.

EU Importer: Evergreen Garden Care
France SAS, 4 Allée des Séquoias,
69760 LIMONEST, FRANCE,
Tel: +353 818 882 479.

Makes 6.6 L
Dilute and spray

PULL
HERE 200 ml e

Keep out of reach of children.
Contains 1,2 benzisothiazolin-3-on.
May produce an allergic reaction.

RoseClear[®] Ultra Shield contains natural oil and provides great shield protection for flowers, roses and other ornamental plants. Pesticide-free formula.

For best prevention and protection, spray at first symptoms and continue to spray regularly for the rest of the season, every 7 to 14 days.

WHEN TO USE

From early spring to late summer, apply every 2 weeks directly on the leaves. The frequency of application is key to achieve optimal plant protection and barrier resistance to pests. Spray in calm conditions, avoiding bright sunlight, drought and frosts. Do not use during high temperature (above 25°C).

STORAGE & ADVICE

- + Wash hands after use and wash splashes from skin.
- + Store out of direct sunlight, in a cool dry place between 5°C and 35°C.

WHERE TO USE

For outdoor use.

PLANTS: Outdoor plants such as roses, shrubs and other ornamental plants. Some plants may be sensitive to oils. It is always advisable to test on one small area of your plant and leave it for a few days before full treatment. Do not spray directly onto blooms.

PESTS: Greenfly, Blackfly, Whitefly, Mealybugs and Red Mites.

DISEASES: Black Spot, Powdery Mildew and Rust.

HOW TO USE

USE WITH A GARDEN PRESSURE SPRAYER.

We recommend wearing gloves during use.

1. SHAKE VERY VIGOROUSLY BEFORE USE.
2. Using measuring cap provided add 30 mL for each litre of water in the sprayer. Apply using a garden pressure sprayer, washed before and after use.
3. Shake sprayer to mix thoroughly and use immediately.
4. Spray on upper and lower surfaces of leaves until run-off.
5. Spray in dry calm conditions, avoiding bright sunlight, drought and frost.
